D.S.A. Response Set For Next Sunday

1974 Parish Goal $9,408.00

The annual Diocesan Services Appeal will be conducted throughout the Diocese in these next two weeks. Our parish solicitation day will be next Saturday and Sunday, April 27 and 28th.

The D.S.A. is a program that deals with people. Twenty-nine Agencies and Services are funded by this Diocesan-wide appeal. The D.S.A. helps translate the Gospel of Jesus Christ into reality for the thousands of people in our Diocese who are assisted.

The teaching mission of the church is made possible on a diocesan basis through D.S.A.'s funding of the Office of Religious Education, the High School Scholarship Fund, and Newman Centers on five different college and university campuses. D.S.A.'s commitment to the social needs of our 10 county diocese is well utilized. Of the six social service offices partially subsidized by D.S.A., our

THE SECOND SUNDAY OF EASTER. John seems to run out of words (or ink, or parchment, or time?) and so he writes today: "Many other signs Jesus did as well — signs not recorded here — in the presence of his disciples.

Don't we ALL run out of words when we try to say how much we love someone? Maybe that was his problem.

And maybe it's something else. The best sign of what Jesus did is not words. It's people.

JUST A WORD...

by Fr. Harvey

The memories of Holy Week past are indeed happy ones! The beautiful celebrations leading up to and including our Easter Feast are more than just memories however. We believe that we are a people with a promise that is real and active in our lives, even though the fragrance of the lilies fades, and the sound of trumpets is only an echo. The presence of the Lord Jesus remains as real to us, as He was to the disciples on the road to Emmaus, "when they recognized Him in the breaking of the bread" or as urgent to us as He was to a disbelieving Thomas, who could only fall to his knees in His forgiving presence and exclaim "My Lord and my God!"

This Easter Season has become so real through the evident faith of so many who participated in our celebrations. I could never list all of those to whom we owe special thanks, for the many hours of planning and working, which helped

make the Palm Sunday Liturgy, the Paschal Meal on Wednesday, the Holy Thursday and Good Friday Liturgies so special. And then of course, the night of nights, the Vigil of Easter and Easter Sunday itself were able to be moments of majesty. To all who gave of their precious time and more importantly, of their faithful love and selfless service, a most sincere thank you. We're all richer because of you.

I would also like to express my personal gratitude for the many Easter remembrances which came our way here; greetings, baked goods, and other delectables. Your thoughtfulness is humbling.

The ten week special renovation drive concluded last Sunday. 382 registered parishioners have contributed $27,975.75 during these past ten weeks. With the $20,000.00 Memorial from the Al Walters Estate and the $1,000.00 gift from the Estate of the late Joseph Ely with which we began our drive, our present receipts for the renovation fund total $48,975.75. This amount along with anticipated income from pledge payments will enable us to complete Phase I and half of Phase II. Phase I, you recall, calls for extensive alterations and renovation to the toilet facilities and plumbing, a new stair landing, moving of organ blower machinery, construction of a coat room and janitor's closet. The first half of Phase II will construct a new kitchen, new stairway at receiving entrance, Boy Scout Room, storage and janitor's rooms. We will not be able to equip the new kitchen as things stand right now. Hopefully, new kitchen equipment will be able to be purchased later, & Phase III, the renovation of the hall room itself, will be completed when funds are available. Contract bids for Phase I were due at the architect's office last Wednesday, at 2:00 p.m. We hope to be able to print a complete list of donor's names next week along with a list of Memorial contributions which have graciously been received since this project was announced. Sincerest thanks to those who have been able to respond in any way to this parish effort. May your generosity and sacrifice be rewarded

D.S.A. RESPONSE

own local office in Washtenaw county receives the largest allotment. Ministry to the sick, especially in our local Ann Arbor hospitals, receives support from your contributions to D.S.A. The 1974 D.S.A. budget is printed again this week for your information.

Our parish co-chairmen, Mr. Michael Ichesco and Mrs. Gerard Wideman, and special secretary for this drive, Miss Mary Budinger, have prepared the parish mailings which you may have already received. In each envelope, there is a parish letter detailing instructions along with a pledge card to be completed and returned in the self-addressed envelope. A cash contribution may be made at the time you return the pledge card with your donation properly recorded on the card, or you may simply make a pledge to be paid within the next year through small installments. Whatever method you choose, it is important that ALL IBM pledge cards be returned to the parish offices, in the envelope provided.

Printed below is the 1974-75 D.S.A. Budget. You will notice that a significant amount of this budget is designated for Agencies and Services in our own county in addition to the general services rendered our parish, for example, through the Office of Religious Education.

In preparing to make our individual responses through the parish to D.S.A./74, let the words of St. Peter assist us in our decision. "AS GENEROUS DISTRIBUTORS OF GOD'S MANIFOLD GRACE, PUT YOUR GIFT AT THE SERVICE OF ONE ANOTHER, EACH IN THE MEASURE HE HAS RECEIVED." (1Peter 4:10)

HOW ARE BUDGETS DETERMINED?

Constituted as advisory to the Bishop, The Diocesan Finance Committee (5 priests - 3 laymen) reviews and makes recommendations regarding all budget allotments of DSA funds. Budget hearings are held in February during which department and agency representatives make detailed presentations to the Finance Committee. The decisions of the Committee are based on Budget justification and the best use of DSA funds.

IMPORTANT NEED

The Ypsilanti MEALS ON WHEELS PROGRAM is in full swing with meals being prepared at Washtenaw Community College. However, during vacation periods, workers are needed to replace the college workers.

St. John's is responsible to have two (2) workers at the FIRST METHODIST CHURCH on Washtenaw from 8:30 a.m. to 12:30 p.m. on April 30th and May 1st. Mrs. Grace Ferdig, a registered nurse, has agreed to purchase food and be in charge of food preparation each day, but the two women are needed to help package the foods for distribution. Days have been assigned to First Methodist, Emmanuel Lutheran, St. John's Catholic, St. Luke's Episcopal, and First Presbyterian to help fill these needs. Men or women are invited to help with this work. If there is anyone available for

either or both of these days, please call Sister Carol at 483-3360 and leave a message as to the day or days you wish to help with this important project begun in our city in January of this year. I will appreciate your concern in this matter.
